

COVID-SAFE EVENT PROTOCOLS

2022 TRANSMOTO 8-HOUR WANGARATTA, VIC (NOVEMBER 19-20, 2022)

As an event licensed by Motorcycling Australia, the 2022 Transmoto 8-Hour at Wangaratta, Vic (operated by Transmoto Pty Ltd), will adhere to the regulations set forth by the Vic State Government and the sport's governing body pertaining to the Covid-19 pandemic.

The event's Covid-Safe protocols have been developed in accordance with Motorcycling Australia, local council, state government and police. Transmoto will be implementing a number of measures to ensure the safety of participants, staff, officials and volunteers.

We ask that all event entrants adhere to the following protocols to assist organisers in running a safe event.

Covid-Safe Event Guidelines:

- All Transmoto events will adhere to the rules and regulations set forward by state health bodies pertaining to the maximum number of people permitted to gather at outdoor events.
- No participant, official or event personnel with flu-like symptoms should enter or attend the event.
- If you are deemed a Close Contact (as defined by the Vic Government - Link below) and are required to be Self Isolating, you must not attend the event.
<https://www.coronavirus.vic.gov.au/checklist-contacts>
- If you develop Covid symptoms at any time during the event, you must present to the onsite event management team and medical providers.
- All participants should adhere to the up-to-date state government travel advice and border restrictions according to the local government area (LGA) in which they reside and in accordance with the guidelines set forth by the state the event is operating in. Please click below for up-to-date Covid travel restrictions and other important information for your state: **QLD - NSW - VIC - SA - NT - ACT - WA - TAS**
- This event is closed to general spectators. Limited support crew for riders will be permitted and must be nominated prior to the event. All support crew will be required to complete a digital non-participant event waiver, which will be sent out prior to the event. If this has not been completed, the support crew will not be able to enter the event site.

- A comprehensive list of all event participants, support crew, staff, officials and volunteers will be collected pre-event and at the event entry point by Transmoto staff and stored securely in a digital format for contact tracing.
- The following social distancing guidelines will be implemented at the event:
 - Rider registration will now be completed online prior to the event, eliminating all paper-signing requirements;
 - All participants will be checked into the event in their cars by the event staff;
 - Riders are required to wear full protective gear during racing (fully enclosed helmet, gloves and goggles);
 - Hand sanitiser stations will be set up throughout the village area and communal facilities for event participants to use;
 - Participants should adhere to good hygiene and social distancing practices;
 - Participants will be supplied with garbage bags upon entry to the event and asked to take their rubbish home with them to dispose of. This is to reduce communal touching of bins;
 - The event presentation will no longer be held. Instead, winners will be called up to collect their own trophies. Uncollected trophies will be sent out to riders via post after the event,
 - Rider's Briefing will be held in the main event area with social distancing; and
 - Scrutineering will be completed in the main event area with social distancing.
